

THE PRESIDENT OF MALTA

25th July 2018

Your Excellency

It is with great sadness that we heard of the wildfires that devastated various areas surrounding Athens, causing a great deal of loss, damage and heartache. The People of Malta join me in expressing our most profound condolences and sympathy, as well as our solidarity with Your Excellency, and the people of Greece.

The devastation that has hit your beautiful Mediterranean country, pains me, and my people.

I avail myself of this opportunity, Your Excellency, to renew the assurances of my highest esteem and consideration.

Marie-Louise Coleiro Preca
